## CATALOGUE TERMS AND CONDITIONS

**Thank you for choosing Charmans Seat Covers, Over Covers, Tank Covers and Accessories.**

Charmans has been proudly supplying our customers, nationally and internationally, with a New Zealand Made product for over 40 years.

This catalogue has been compiled over the years to the best of our abilities. Whilst we are not motorcycle dealers, we have received a large amount of advice and information over the years which has helped with creating such a wide-ranging list of products. Every seat cover, over cover and tank cover pattern has been taken from original motorcycle seats and tanks, and coded accordingly. However, we understand that there is always room for variance due to differing manufacturing runs of motorcycles, alterations and modifications, and varying seat foam thicknesses. Please make us aware if any of these may apply to your motorcycle.

**Please take in to consideration the following when choosing from our catalogue:**

- Our products are standard and original to the best of our knowledge. We are happy to customise any of our products (different colour, material, graphics, company logos etc) where possible. Please note, extra charges may apply.
- Any product that is made in a non-standard or custom colour or material will immediately be regarded as a non-standard, non-returnable item (unless otherwise stated).
- Graphics are not available on FX Grippa products.
- Codes may change from time to time (although it is highly unlikely) – and we will always endeavour to thoroughly inform our client base and customers to the best of our ability. Not all new models will be given new codes – we may alter existing codes accordingly. Please enquire regarding new models.
- All seat and tank covers are made from patterns and may vary in size when these are layer cut (for large quantities).
- All prices are subject to increases at any time.
- In the event that a standard colour or pattern of vinyl/canvas/PVC becomes unavailable to us, we will use the closest colour and pattern attainable.
- Credits for returns will not be given on non-stock line, rare or uncommon goods until they have been re-sold
- All returns, credits, discounts, quantity limits and freight charges will remain at the discretion of Charman Motor Trimmers' Management.

**NB: Ownership of all goods supplied is retained by Charmans until we receive payment in full of all amounts owed by the customer under this or any other contract with Charmans.**
